

## The simulated journey – my evaluation

Read through your diary from the journey, and any other material you have produced.

### Think about the following:

During the journey I have learned...

What was the most meaningful part of the journey for you? Put the following in order of importance:

- Finding out how to travel and how to find my way to different destinations
- Finding out how to find facts on a particular country
- Learning to find my way around using a map
- Learning about the rights of the child
- Learning about democracy
- Learning how to write articles
- Learning how to present facts by staging small sketches and plays
- Writing a diary
- Something else? \_\_\_\_\_

Say why you have put the statements in this order:
